Subgroup 3

Subgroup 3 continues to

- communicate the work of the OMI,
- engage mathematicians and others in discussions about rethinking post-secondary mathematics, and
- engage others in discussions about the work of OMI

Accomplishments since January 2016

Developing ideas for Fast Facts publications

Possible future topics include

- Open education resources (OER),
- work with K-12 sector,
- Quantitative Reasoning implementation, and
- updates of OTM learning outcomes.

Accomplishments since January 2016

Continuing to share Ohio's work across the state and nation

Presentations include the

- Bridges to Success workshops,
- TPSE-Math meetings,
- OHAAA meeting,
- MAA-Ohio Section,
- OhioMATYC, and
- AMATYC.

Accomplishments since January 2016

Continuing to share Ohio's work via video

The screenshot shows a YouTube video player interface. The video title is "Where did the Ohio Mathematics Initiative start?". The video content is a presentation slide with the following text:

Where did the Ohio Mathematics Initiative start?

- Call for change from institutions
Concerns about . . .
 - success rates in mathematics courses,
 - transferability and innovation, and
 - student success.
- Statewide Mathematics Summit May 2013
- Formation of Steering Committee July 2013

Below the video player, the channel name "Ohio's Gateway Mathematics Courses" and "OhioHigherEd" are displayed. The video has 51 views and is published on May 25, 2016. The description mentions "Bridges to Success Workshop - April 20 & 21, 2016".

On the right side of the interface, there is a "Up next" section with several video recommendations:

- "How College Credit Plus has benefited Jefferson Twp. schools" by OhioHigherEd (160 views)
- "Don't Lose in Six like Anand; Know your Opening! - GM Alejandro Ramirez" by Chess Clubs and Scholastic Center of Saint (Recommended for you)
- "History and Structure - Ohio Mathematics Initiative" by OhioHigherEd (45 views)
- "Games That End in Eight Moves - Beginner Breakdown - 2014.09.23" by Chess Clubs and Scholastic Center of Saint (Recommended for you)
- "The Archer's Paradox in SLOW MOTION - Smarter Every Day 136" by SmarterEveryDay (Recommended for you)
- "American English is Changing Fast" by David Palamar Show (Recommended for you)

Accomplishments since January 2016

Supporting OMI's publications

The OMI published:

- The FY16 Progress Report,
- The OMI—Overview 2016, and
- The 2015–2017 Completion Initiatives Timeline.

Thank You!
